**Article Body:**

There are a lot of people who enjoy decorating with beautiful and original pieces of art. Some may think that they spent a fortune on it, but if the attended an art festival they nay have found a bargain.

Attending an art festival to look for your next purchase of a piece of art is a great way to save money. You never know what you are going to find. There are many different artists supplying a variety in different pieces. Whether it is a wall hanging of sculpture for your prize garden there is a choice. You could even be buying a piece of work made by a future artist who works will one day be worth a small fortune.

If you are a collector or a dealer of art this is an excellent opportunity to purchase for your own investment. It doesn't matter what you are looking for you will most likely find it.

You don't have to go just to make a purchase either. You can just simply get an idea of some things you might want to purchase in the future. Get an idea of the different types of art that is out there. Discover what your taste in art is. It is a nice way to just enjoy your day. Art usually has a calming effect on most people so just go to simply enjoy a day off. There are other things to do when you attend an art festival.

Some people go to art festivals in search of other homemade products. There are stands that sell beaded jewelry. Silver and turquoise is another popular choice in homemade jewelry. This is a great way to purchase something different. Some of it being better quality then jewelry you'll find in a department store.

Crafts are another thing sought out when one attends an art festival. Some of us love crafts, but just don't have the knack to make our own. It is also a great way for crafty people to sell their pieces. Making a profit off their hobby.

Art festivals are annual events in most areas. You may not live somewhere an art festival is held. You can search on the Internet to find out if there is an art festival held in a near by location to you. If you truly love art you won't mind the extra time it takes to attend a festival. Art festivals are a rewarding experience to both who attended them and the artists selling their works. It is something to look forward to every year knowing that you will again experience the endless talent of the locals near you.
