Knitting is a creative work of art. It is a method of interlocking a series of loops of yarn or thread to construct a fabric. Beautiful patterns can be used for knitting fashionable and beautiful clothings, in various colors and styles.

Knitting is certainly fun, if you try your hand at it.

The origin of knitting activity can be traced back to the 4th or 5th century BC. From the court of King Henry VII to Charles I, knitted patterns were quite popular. Royal knitters spun the rare knitting patterns for the kings, and the Queens to be worn on the special occasions. From the courts of king, knitted clothes reached the common people soon. In fact knitting has largely been the occupation of the shepherds in the past.

Traditionally, knitting has been done by hand, but it can also be done with the help of modern machines now. In fact hand knitting is a popular pass time activity in many parts of the world. Especially girls in Asian and African countries cherish this art from their childhood to create beautiful clothes such as sweaters, socks, hats and scarves. They also put their hand to creating pretty household items as well.

You can learn the art with the help of free knitting patterns available online

as well as in many knitting stores. Materials like plastic strips, ribbon, rope and wire can also be knitted, to create jewelry, bags, art works, bowls and other household items. The range of knitted patterns is never ending. After all, it is all about the knitter's creativity.
