Here are the next five frequently asked questions about audio books (and the answers of course):

6. What kinds of audio books do you recommend to listen to?

Listen to audio books that you would read. Meaning, if you like thrillers, listen to thriller audio books, if you are looking for children books, get children audio books etc.

Yet, I suggest you get to know more other successful audio books kinds such as language tutorials and motivation audio books.

7. Are the old fashioned books going to disappear?

I don't think so. In fact, I still prefer reading books before I'm going to sleep. The experience is a different one, and some people still prefer the old books. Yet, I believe that the reading habits of most of the world's population

will change in the next century thanks to audio books.

8. Can I find any book in an audio book format?

Unfortunately not any book could be found as an audio book. Yet, almost any new book and any bestseller from the last century are getting published as an audio book. Most of the old books could be found in the format of books on tape and the new ones as downloadable audio books and audio books on CD.

9. How can I listen to downloadable audio books?

You could listen to downloadable audio books using a media player on your desktop or your notebook computer. However, most people use audio players like iPod to listen to downloadable audio books.

10. Where should I get my audio books?

The best place to get audio books from would be one of the online audio book services.
