Best Restaurants in London

Gastro pubs are the latest eatery wave circulating the town. With ye ole pubs disappearing into the London fog, pubs purveying ole English charm also are serving up epicurean level cuisines. The Duke of Cambridge claims to be the worlds first certified organic gastro pub. The food is seasonal; the wines are

organic; and the ales are brewed locally. Restaurants owned by Gordon Ramsey are among Britains finest restaurants. Award winning chef Gordon Ramseys establishments are so popular that table reservations must be made two months in advance. However, there are eight restaurants in the UK owned by Mr. Ramsey. Mosimanns is an exclusive fine dining experience that transcends the meal itself. Chef and owner Anton Mosimann is an institution among gourmands. The restaurant is a caterer to the Prince of Wales. In addition to the main room, there are six private dining rooms sponsored by prominent corporations, such as Davidoff and Bentley Motors, and decorated thematically.

To Do in London

London has myriad options for filing up a visitors itinerary. Lovers of live music might want to check out Chelseas 606 Club. It is renown for top notch jazz, blues, and soul acts. There also are times when impromptu performances by musicians in the house turn out a concert worthy of a CD release. Bar Rumba is fantastic music club in central London near Piccadilly Circus. Music featured runs from jazz fusion to funk to R&B to reggae to hip hop. It is a basement bar with a capacity of 450 plus capacity. Its intimate, sweaty, and loud. New music settings are featured nightly. Milk & Honey is a bar open to the public till 11 p.m. It is members only thereafter nightly. Painstaking detail is put into each drink, as fresh fruits and other ingredients and hand squeezed during the day. The bar has rules that promote ultra civility and chic refinement at all times. Ambiance and decorum are the key attractions here. It is the type of place that is either totally loved or hated, as there is no midpoint here.

Attend a show at the world famous Royal Albert Hall. Daytime tours and exhibits are offered as well as evening entertainment that ranges from musical concerts to ballet to theater to film debuts. Located in the upscale Kensington Gore area, it is a great area for general sightseeing too. The hall received a major makeover in 2000.

Many museums now have day and evening hours with exhibitions, lectures, and special events. The Victoria & Albert Museum has 27,000 works displayed. There are collections centered on architecture, jewelry, artwork of Asia, the Middle East, and Britain just to name a few. The Science Museum in South Kensington is part of the NMSI family of museums. There are four distinct museums.

Notes on London

If shopping at the finest shops is part of your desired London experience,

numerous upscale shops, boutiques, and bespoke clothiers can be found on Regent, Piccadilly, Oxford, and Bond streets. The British Airways London Eye is the worlds highest observation wheel. Londons official tourism Web site, Visit London, presents its list of the top 10 London must-see attractions.
