## Article Body:

Some guru sells his program because he has 60 ways of marketing. One Dentist was asked about his marketing he said he had 100 ways and use them all. Well I came up with 66 so far. I will work on more sometime after tax season or you can email me with ones I might have missed.

The true is you can't use them all. Some are too costly for many of us. Some won't work. Try as many as you like and find the ones that work and work them till they stop working or you stop working, whichever comes first.
