Article Body:

Insider Risks It All... To Reveal Tactics  
So Nasty... So Forbidden... So Downright Evil...  
You'll Suck a Billion Dollar Well Dry!

Say goodbye to those \$10 AdSense checks...  
Say goodbye to the days of dropping \$1000's on PPC...

Because you're just minutes from the secret weapon  
that will finally expose thousands of wealth-builders to...  
Google's Dirty Little Secret...

...paying for Adwords traffic that sucks every last penny of profits from your  
pocket...

...wasting your money on worthless e-books that claim to teach you up-to-date

money-making techniques...

...blindly following the so-called "experts" who scream "AdSense is dead..."

...wasting your time on tactics that already stopped working LAST YEAR...

...letting Google Slap you around like a little girl...

Finally Exposed:

"The Insider Information that exploits a billion-dollar Google loophole... And A Fool-Proof System You Can Copy To Rake In The Cash..."
