Are you planning a vacation, but can't decide where to go or what to do? If you are, then stop worrying, vacation in sunny California.

California has a land area of over 155,000 square miles with almost 850 miles of coastline and beaches, 25,000,000 acres of desert, mountains, including Mount Whitney which at 14,505 feet above sea level is the second tallest mountain in the continental United States, numerous lakes, rivers and creeks, forests of all types, thousands of campgrounds and RV parks, beautiful scenery with plants and flowers of almost every type, amusement and theme parks like Disneyland and it's companion California Adventure Park, Knott's Berry Farm, Movieland Wax Museum, Legoland, Sea World, Universal Studios and Magic Mountain, zoos like the San Diego Zoo And Wild Animal Park, museums of every type, numerous art galleries and antique shops, places of worship for every religion, restaurants to fit every ethnic and cultural taste, motels, inns and hotels to fit every pocketbook, from very inexpensive to extremely luxurious, gaming casinos, nightclubs and comedy clubs, some of the most beautiful golf courses in the world, most of which are playable year round, some of the best wineries in the world and shopping centers and areas with almost every type and brand of merchandise you can think of.

Virtually year round, whether you like the climate hot, warm, cool or cold you can find a place to suite your taste.

California, with it's huge culturally diverse population of over 37,000,000 people, has almost every type of activity, restaurant, museum, store and hotel you can think of and it's people speak almost every modern language there is. Why go somewhere where you can not be understood, or you may not like the

accomodations or food or the citizens may not like you when you can go to California and with a little bit of searching find people who understand whatever language you speak, who serve food you like, who know your customs and who value your patronage, in other words a place that suits you perfectly, a place where you are wanted.

California is such a large and diverse state that even most Californians have only seen or done a very small percentage of what is available to see and do there. If you vacationed in California every vacation for the next 50 years you still would not run out of things to see or do.
