Article Body:

Day-in and Day-out a number of advertisements are coming out in leading magazines about cruise vacations to the Caribbean, Mediterranean, Alaska, Trans-Atlantic, the Bahamas etc. Cruise vacations to the romantic seaside, far-flung reaches of Europe, awe-inspiring blue ice destinations, world-class beaches, lush green rain forests. Cruising is a great experience and most cruise ships have almost all the facilities like formal dine in and informal dine out, show-time, gambling, karaoke in the lounge.

There are several myths about cruise vacations such as boring, regimented, seasick, too expensive, meant for the over aged. As it is mentioned they are only myths. Really cruise vacations are memorable. Before cruising, documentation and passport formalities, travel security, weather, best seasons to travel, where to cruise, ship layout, stateroom categories, pricing factors have to be decided.

Cruise vacations are enjoyable but the preparation for the vacation is horrible. Some people consult travel agents before planning their cruise vacations. They in turn offer variety of options and because of this cruise vacations have become popular. The travel industry is organizing family cruises, individual cruises, sports cruises, adventure cruises which provide the required fun. The basic reasons for going in for cruise vacations are: they are within the budget and best value for the

money spent as accommodation, local transportation are all included in single package. Single cruise vacation can cover different destinations, full of fun with dances, comedy show, live acts. In the deck sunbath, swimming, shuffleboard is offered. Culture of different countries can be tasted. Quality food prepared by experienced chefs and cooks are served during cruise vacations. Cruise vacations provide relaxation and rejuvenation by offering sunbathing, message, free child care are some of the pampering options. Disney cruise vacations are meant for children as Disney and children go hand-in-hand. Celebrations can also be booked on cruise vacations such as birthday, anniversary, honeymoon, wedding day etc. There are special packages offered for celebrations. Cruise vacation is free from the pain of airport security. Business deals can also be done on cruise as Wireless and Internet facilities are also available. Laptop can also be used during cruising. Cruise Ship Industry has everything for people who like change. Launderettes and ironing boards are available for washing and ironing while traveling. Hygiene on travel is maintained by providing shampoo, conditioner, deodorant, razors and body wash.

Cruise vacations are now affordable and not only meant for rich people. Family cruise are the best option to enjoy with the loved ones. These are the gift to the family members and cherished moments as in today's busy life family members do not have time to spend together. Family cruises also entertain children. They offer fun filled moments for the whole family. Meeting mix of people is possible during cruise journey. Smoking is allowed only in bars with caution.

Celebrity cruises are fabulous and they have enrichment programs that are developed by experts. Bridge can also be learnt during cruising. Expert guides are there to offer tips for shopping.
