Article Body:

Don't Get Tricked: Thinking You Have a Home Business if you do all your work in some one else's house is foolish. Stop running around all over town plastering up flyers. Having parties in your friend's houses or yours is not why you do this. It does not work.

Choose a Home Business that Makes Sense: You must have products that sell even if there was no business opportunity. Products every body uses every where. Staple products needed and used everyday forever. Promote patented products with advantages.

Don't Choose a Home Business that: Limits you to only luxury items or targeted items, only half the population use once and that's it. To truly be free you will want to get paid over and over on work you do just once. Repeat sales and retention is gold, got to have it.

Consider Networking: You only have 2 hands, how much more can you do with 400 or 4000? The best way is to multiply your income is to teach others. Earn more than you ever dreamed with your Home Business. Start multiplying your income while helping others.

Don't Limit your Income: Recruiting or selling friends and family does not work for your Business. It helps your up-line they have 100's doing this. So you get 5-10 from your center of influence make a couple sales. Your up-line makes a 100 times that, you get stuck.

Take Advantage of Internet Marketing: The internet is a Home Business miracle. How else could you reach people all over the country, the world for that matter? Be affiliated with a company that has a presence in several countries and is expanding world wide.

Don't Pay for Leads and Advertising: There is no need to pay a fortune promoting your Home Business. Losers buy questionable leads that never pay off. Calling Strangers is a waste of time and money. Your better than that, funded sponsoring can do this and advertise for you too.

Make money online: Learn from successful Home Business builders making millions. The internet is an unlimited resource. Do not over look the most powerful tool in your arsenal. It's easy once you know how. Fortunes are being made every day online. It's your turn.

Don't spend a fortune: It's not necessary to break the bank advertising your Home Business online. There are a ton of free online methods to generate streams of cash flow. Develop never ending residual income. The internet works for you

24/7, put it to work and cash in.

Use a website: The right site is a virtual sales force that never sleeps. It sells and/or recruits for you. There are many great sites viewed by millions that can be yours Free. People will pay you with out you ever speaking to them. No salesman can do that for your Home Business.

Don't spend money driving traffic: Learn all the tips, tricks and secrets to drive the right people to your sites for free. Discover 100's of fast easy ways to over load your site with your target market. If you are spending boat loads trying to do build your Home Business STOP!
