**Article Body:**

For thousands of years tapestries and wall hangings have been remaining as one of the most respected forms of art enriched by contributions of textile art forms from artists of almost every culture.

Of late interest in tapestries and wall hangings have risen greatly and therefore quite often people search for traditional options available for those. Since tapestries have great history and can easily touch one's mind, it has again come into prominence for those who plan to improve their homes. There are different tapestry styles, and depending on what your current home decor is and your own personal style, you will have to choose.

**Charms of tapestry designs of the past**

Contemporary art available for tapestries is on the rise no doubt; still most popular are the traditional designs from the past. Mainly their link with history makes them so attractive and appealing. Besides a wide range of designs and you must be acquainted with so many different themes like the rise and fall of nations or the impact of art movements at different periods or the importance of individual artists and groups. That it has its own claim to history impresses most. Those art lovers who go deeper in choosing home décor cannot ignore the charm when artistic excellence and history join hands in a wall tapestry.

## Popularity rises

To modern public reproductions of the famous art pieces, such as these <http://www.european-wall-tapestries.com/store/customer/home.php?cat=24&page=7>, are becoming very popular. Due to historical importance of such art pieces excellent copies are available. When the drama and virtuosity of historical are mixed well with weaving techniques of today best results come out. The excellent reproduction of the vision of the great artist of the past thus gets durability and attraction of fabrics of modern time.
