Article Body:

There are many online resources that claim they can teach you an easy way to learn guitar. The truth is there is really no easy way to learn guitar, it takes practice and a great teaching method to become an excellent musician and there is no easy way around this.

Basics

When learning to play the guitar it is important to learn the basics first. There is an easy way to learn guitar basics that is to research as much as you can online and in guitar instruction books, then attempt it yourself. Once you have learnt the basic guitar skills you will find that more advanced riffs and chords will come easily to you.

Practice makes perfect

An easy way to learn guitar is to practice and perfect something and then move on to the next thing. Practice definitely makes perfect! When you practice you will move through chords with ease and be able to make a smooth transition from basic chords to more advanced riffs.

Selecting an instrument

When you first find an easy way to learn guitar it is important to select the right guitar. Selecting a guitar is a delicate and lengthy process and should be done with an experienced guitar sales person. It is always a good idea to hold

the instrument and play a piece of music on it. This will help you get a feeling for how the instrument will feel when you start an easy way to learn guitar.

### Movement

Movement is how your body relates to your instrument. An easy way to learn guitar is to treat your instrument like another body part. Move fluidly with your instrument and make all movements clear and precise and not sharp or short.

### Making the most out of a lesson

Making the most out of your lesson is important and will make it an easy way to learn guitar. Try videotaping your session so you can watch and rewind anything you may wish to touch on later. Writing notes in a book is another way to make the most out of your lesson. The book can be opened at anytime and you can refer back to previous notes.

Finding an easy way to learn guitar is possible and can be very rewarding. Make the most out of your lessons, whether they be online or with a teacher. Take notes and don't be afraid to ask as many questions as you need until you get the answer that helps you understand the problem. Most of all have fun, don't take it too seriously as you will lose interest very quickly! Enjoy!
