**Article Body:**

There is nothing like a receiving a greeting card in the post to feel you someone special and even more when it is one made by hand painting. Yes its true one can easily make their own greeting card with using their own color combination and according to the situations and in your budget.

Painting your own greeting card just adds so much to the meaning of greeting card rather than any e-card. E-cards have to put printed out before you can put it up. Some times we won't find the exact greeting card which we are looking for to suit our situation.

Before you start your painting, the first thing is to decide in what paper or board you are going to make use for your greeting card. Next you need to decide what you are going to put in front. Well its confusing some times so its good to refer a painting book to take a decision so that you will not be anymore confused about your painting.

Painting book has all step by step information about the structure of every painting with this one can easily start his painting greeting card. Painting your own greeting card is the best way to express your views and feeling to your love one it's a great feeling to present them on any special occasions.

Painting book is the correct choice for everyone to give their painting greeting card a very good look and to be more expressive. These book are easily found in the stores or one can get it from internet.
