Online audio book rental is so easy that we simply can not understand why some people are still buying audio books. Online audio book rental service offer the best deals on the audio books world today - Unlimited rental, No due dates, an enormous variety of downloadable audio books, cheap prices and much more.

Follow the following steps to start renting audio books online immediately:

1. Write down your expectations from the online audio book rental service:
The type of the audio books you are looking for - Fiction audio books, children audio book, business journals etc.

The amount of audio books you wish to listen to each month (or the audio book rental frequency)

The amount of money you wish to spend on audio book rental each month.

2. Go over the audio book rental plans at the main online audio book rental services and find out the proper plan that meets your expectations. If you are unsure with the plan you have chosen, don't worry because most rental plans have a free trial during which you can cancel it and get your money back

3. Sign up and enter your personal and payment details. In most of the rental services this procedure is easy and takes less than 5 minutes. In this phase you will choose the plan and select whether you wish to rent audio books on Cd, books on tape or downloadable audio books.

4. Prepare a list of the audio books you wish to rent. In most online audio book rental services you will have to check which of the audio books is currently available. However, in some audio book rental services you could enter the list and the next available audio book will be send to you.

5. Get the audio books. Download them or get them delivered to your house in two business days. Enjoy listening to the audio books while exercising, driving, cleaning house, hiking, running marathons, dropping the kids off at school - Wherever and whenever you want.
