If you're a fan of black tea, you might have become accustomed to purchasing your favorite blends at a local specialty store, supermarket, or gourmet outlet. However, thanks to the evolution of the Internet, you can now browse for black tea in the privacy of your own home.

Ordering black tea online is safe, convenient, and can also be quite cost-effective.

Main Advantages to Online Shopping

There are certainly numerous advantages to ordering black tea online. For instance, chances are you'll find a great deal more variety than you would at the corner market. You can also do a great deal of comparison shopping on the Internet—as a result, you may be able to save quite a bit of money. Online shopping can also be quicker than driving across town to the Indian market.

You may also find that it is easier to buy in large quantities on the World Wide Web. Because the Internet is a visual medium, you'll also be able to see an

image of the product you're buying, which can help you to avoid costly mistakes.

And, of course, most purchases are free from state sales tax so you save 5-7% on each purchase.

As Easy as Buying a DVD

If you've become accustomed to purchasing clothes, household goods, and DVDs online, it only makes sense that you would also buy your beverages online. Buying black tea via the Internet can be particularly helpful when you have a dinner party planned and you'd like to impress your guests with a wide variety of teas.

Once you begin purchasing black tea online, chances are you will make it a habit.

You'll come to appreciate the convenience—and buying via the Internet can also be more entertaining than waiting in a long line at the grocery store. It is certainly not an exaggeration to say that buying tea products online appears to be the wave of the future.

The Chance to Browse

The Internet allows you the golden opportunity to browse through the wide varieties of black teas that are now available. In fact, you might be quite surprised at the array of tea blends that you can purchase. For instance, for a truly exotic blend, consider Darjeeling tea. This loose-leaf tea combines hints of fruit, nuts, and flowers. You can purchase it in a three-ounce tin or in a one-pound bulk order.

Considered one of the world's finest teas, Darjeeling is well worth the investment.

As an alternative, you might consider French Breakfast tea, which is derived from the mountainous Ceylon region. This smooth tea boasts a honey-like taste, which makes it appropriate for breakfast or any time when you're in the mood for a subtle black tea.

If you're interested in a smoky, large-leaf tea, why not try Lapsang Souchong? Smoked over pine embers in Eastern China, this tea is rich in taste and aromatic in scent. It's the type of exotic tea that you can savor when relaxing at home or when entertaining friends.

Web-Based Specialties

When ordering black tea online, you can also take advantage of numerous Web-based specials. These are the types of deals you are not likely to find at your local grocery store or specialty shop. As a result of these specials, you may be able to purchase an especially exotic tea at a fraction of the cost you'd pay otherwise.

What to Look For

If you choose to order black tea over the Internet, there are a few important things you should keep in mind. To begin with, you should look for tea that is derived from hand-plucked leaves, indicating that it is of the finesse quality. You'll want tea that is of superior quality, the result of orthodox manufacturing processes.

You'll also want to look for tea varieties that offer a fine aroma, breathtaking color, enhanced clarity, a bold body, and enticing flavor. You'll want tea that is derived from the *Camellia sinensis* bush-tea that offers great quality in every cup.

Take Your Time

If you'd like to order black tea online, you should consider taking your time rather than rushing through the process. You'll want to allow yourself the opportunity to browse through various products in a relaxed, low-pressure atmosphere. You'll want to take the time necessary to survey the various varieties that are available so that you can make an intelligent choice.

You also need to realize that tea-shopping is an acquired art. Chances are you'll need to sample a number of different teas before you can find the one that appeals most to your taste buds. However, it's also likely that you'll derive a great deal of enjoyment out of sampling various tea blends.

The more you experiment, the more you'll come to appreciate the many fine qualities of black tea. It's the type of beverage that's not only soothing—it's also a healthy alternative to other drinks.
