Article Body:

The GOLD Program is simple: it starts with you becoming a GOLD Ambassador today, then sharing the program with everyone.

To get started, all you have to do is become a GOLD Ambassador, then personally sponsor three new GOLD Ambassadors with a \$299 Mission PAK. For taking this first step, you will earn a minimum of \$150 GOLD Ambassador bonus on your sales of Mission PAK products. Then, when you have a total of 12 GOLD Ambassadors in your personal group, you move on to the next phase and an even greater opportunity to earn GOLD bonuses. Do it again - sponsor three and get 12 in your group - and teach others to do the same. Keep going and earn bonuses to unlimited levels!*

And remember, all the effort you put into the GOLD Program helps build long-term residual income from volume and leadership bonuses.

How A New Person Gets Started:

When you become a GOLD Ambassador for \$299, you get all the essential business tools (like the Distributor Welcome Kit, 3 months of Personal Website for free, and Global Ambassador status). You're also now entitled to a 15% discount off of Suggested Retail Price (SRP) on Shaklee products, plus a coupon for a free product with your next 100 PV order. And, you get your choice of one Product Action Kit (PAK):
