If you are a free spirit and don't want to be tied down to an ordinary home theatre room, it's time to see how TV lift cabinets are paving the way for home theatre experience in any room. Why have to give up a bedroom, study or home office for a home theatre?

With hidden TV cabinets you can hide your Plasma TV safely in any room surrounded by a luxurious handcrafted cabinet that is visually exciting and guaranteed to lend a dynamic aspect to the room.

What kind of person are you? If you're a loungeur who loves to watch TV in bed, snuggled in your comforter with your favorite snack you will love plasma lift furniture at the foot of your bed. By day an elegant piece of furniture with a deep rich finish. By night with the push of a button on your remote control an exciting home theatre rises for your very special experience. Or if you choose, you can move to your sitting area on the other side of your bedroom and with another push of the button swivel your TV in that direction.

Are you a meat and potato kind of guy who loves to watch their favorite sports

program in the living room? It's time to surround your new Plasma in a 'sporty' TV lift that will make you a hit with the guys. The guys come over for the big game you push a button and your brand new plasma rises from a sleek, rich cabinet. Then you show off a little more by swiveling your new TV to the left and then to the right. You top off the whole experience by turning on your controls with your remote that uses infra red technology.

Perhaps you're an intellect who likes to watch your favorite program in the study. Your elegant Plasma lift furniture is of traditional design. The old world craftsmanship of your new cabinet looks perfect with your other classic furniture. You push a button and your TV rises smoothly and quietly using its rack and pinion mechanism that will work reliably for many years. Hidden TV cabinets are fit for a king!

Now if you are the lady of the house and you love to utilize your dining room, you will be elated to find out that you can own the most elegant buffet, custom made to order, a luxurious finish and with unlimited attention to detail that is a TV lift. You're working on a craft project but it's time for your favorite Soap. Don't stop what you're doing! Just push a button and watch your LCD rise from your buffet and watch your show. You can be 'Queen for the Day' with your plasma lift furniture.
