Article Body:

A tisket a tasket, a special food treat basket. What a great way to say "I'm thinking about you." Gourmet gift baskets are really nice, always appropriate and not overly expensive. They're a great one to send your congratulations on a joyous occasion, or to say "I care" when things don't seem to be going so well in someone's life.

Gourmet gift baskets are great to give as an office gift, to a fellow employee or even to your boss. They're also great to give as gift for all for an office party or for a business meeting when some sort of refreshments are in order. You will want to think carefully about what to order to fill the basket, things that won't be messy for an office business meeting for example. Careful thought along those lines will point you to just the right things and your thoughtfulness will be appreciated.

These are also the kind of gift that can be given to a fellow employee or to your boss without having to be concerned about being misunderstood. They're a gift sure to be appreciated without being personal in a way that will start unwanted rumors.

A gourmet food basket is also a great gift to welcome a new employee to the company or a new client. Possibly your company is hosting a sales or business

convention. What a great welcoming gift for each conventioneer to find in their room, they're sure to feel welcomed and wanted and what a great attitude to start off with for this sort of an occasion.

Perhaps a friend or family member has just had a new baby. What a great way to say congratulations to the new parents and welcome to the new baby. You can have the basket filled with special treats sure to make the new mom and dad feel pampered and special and also include some small treats such as a pacifier and small stuffed animals for the newcomer. If there are older brothers and sisters, don't forget to include some special little thing for them as well.

These baskets also make great holiday gifts for those people whom you definitely want to remember with something really nice but for whom you just can't think of the right thing. There is such a vast selection of treats that you are sure to be able to make your basket a special treat and sure to be appreciated. Adding some sort of festive trimming to reflect the specific holiday will make your gift just right for any occasion.

Gourmet gift baskets are sure to be regarded as a special gift no matter what the occasion. They can be packaged and sent within 24 hours and also can be specially packed to be sent through the mail. When you need a gift that's sure to be appreciated, send a special food treat, send a gourmet food basket.
