

Title:

Cash Blues? Bank On Us!

Word Count:

535

Summary:

Admit it-- it's not unusual to run out of cash when you need it the most. Even as prices soar and salaries fail to keep pace with the cost of living, confusion reigns supreme when you have an empty pocket, and the pay day seems like a distant mirage. One may try his/her best to manage finances in a manner that borrowing money could be avoided. But does this really happen? You know the answer.

To save you from the embarrassment of borrowing from friends, and ascertaining th...
