Taking a year out to go traveling? Make sure you have organised a travel insurance policy before you travel, the last thing you need is to spend all your hard saved money on unnecessary bills like medical expenses.

With no travel insurance such as a huge amount could mean having to re-mortgage or worse sell a house to cover the costs. Just a broken leg or some sickness abroad can cost a huge amount as medical expense. Roughly around £10,000 for a broken leg expense abroad. If you're a traveller taking time out for a Gap Year or extended time abroad, either travelling or working or even visiting distant relatives, Gap Year Travel Insurance helps you.

If you are a young traveller, looking out for a long vacation gap travel is the apt one for you. You can cover around 80 sporting activities such as scuba diving, winter sports and bungee jumping, some at additional cost. Go skiing, bungee jumping or any other sports activity with gap year travel package. Get insured at the most favourable rate, insurance for gap year travelling helps you choose the best travel insurance.

Also consider how you'll keep in contact with family and friends back home; most countries have internet cafes and phone cards to help you. Or you may decide to take a laptop and use wireless internet points which are usually available in hostels and guesthouses.

Be aware that some insurers may not cover for certain countries so it's worth doing a quote first, to get an idea of countries you will be covered for. A

policy covering personal belongings and medical expenses is the bare minimum you should take out; one which will reimburse you for any further cancelled flights or other modes of transport is also a good idea.

Few tips when you travel abroad carry copies of visas, passports and medical records in a different place to the originals. Send such copies to family and friends before you leave, and even email them to yourself. Carry contact numbers and addresses of the British Embassies of each country you visit, so that in case you need it on an emergency you have it handy.

Get special cover on your backpacker insurance, these specialist policies can offer incentives that regular policies can't, including cover from three to eighteen months. Such backpacker travel insurance uk policies, also cover working overseas, which is usually necessary for an extended trip.
