

Spring Break Cabo San Lucas

Spring break comes but once a year, usually occurring the third or fourth week of March, or the first week of April. This is the time of year when all those living things (including us!), dormant through winter months, begin to rejuvenate from increased sunlight and warmer temperatures. This is a time for everyone, not just students, to take a break away from their normal responsibilities and have fun! Some even go so far as to lose all their inhibitions (we've all seen those "Girls Gone Wild" ads!)!! Spring break is really a time to get outside again, to let the wind blow in your face, to re-energize you body and spirit with life again! What better place is there than spring break Cabo San Lucas?

When it comes to spring break, there are many Mexican destinations to choose from, but Cabo San Lucas is one that's at the top of the list. Visited by many tourists throughout the year, Cabo San Lucas is especially popular during the spring break season.
