Improve Your Sales with Auto Responder Improvements

Improve your marketing and sales with some auto responder Improvements. Try some of these:

- 1. Publish free reports to send via your auto responder. The reports should be related to your business or web site & contain info, ads and links to your sites. People love getting freebies.
- 2. Collect vital customer satisfaction information by publishing a survey to send via auto responder to those who sign up on your site in exchange for a free eBook, software or trial period at your membership site. This type of information will help you understand their needs, likes & dislikes better.
- 3. Instead of answering each customer question that is e-mailed to you, publish "Frequently Ask Questions" and make them available via auto responder to those who sign up. To save time and support headaches.
- 4. Instead of publishing all of your customer testimonials or endorsements on your website, publish only a few there. And set up an auto responder form that invites visitors to receive a complete list via your. Give them a power-packed list; it's more effective to include all of them.

Mix and match. Change your auto responder strategy to change your auto responder results!
