If your hat is made of wool as most straw hats, mens hats,
fitted hats, hats for baseball, and other all type of sports hats. Wool shrinks
when washed hat with hot water, but don't wash your hat just yet because it
might cause the color to run. Instead, wet it with hats or warm water and wear
it. Hats are it on a round-shaped object like a bowl or a ball similar to your
head all sizes. If you don't want to risk the color of your fitted hats, hat
