When one thinks of hosting a happening event, music is undoubtedly the first thing that comes to mind. If this sounds like you, you must definitely check how MK2 can fill your events with riot of colours! Be it for your kid's birthday, your wedding anniversary, a party or just another fun event, we've got all the music in the world to match the theme of your event!

Our music and karaoke collection includes genuine music of all genres and generations — from pop to rock and traditional to modern! Wondering what dance numbers we have? Well, you will be pleased to know that we have all the popular dance charts from the granddad's age till date! Add to it our professional karaoke machines and hi-tech audio equipment and players to produce high quality digital sounds that can set the mood of the party in no time.

May be you don't want to leave anything to chance if so just let us know in advance what music charts you would like to be played and we shall try our best to locate your favorite ones. As a matter of fact MK2 always encourage clients to provide the details of the program so that we plan and arrange everything perfectly for every portion of your event.

Loud music will certainly set your spirits high when you want to get on the dance floor and groove with your friends but when it comes to dining by the pool, you need soft and soothing background music. Recognizing such subtle differences is one of many things that set us apart from the other mobile discos.
