Article Body:
According to Ron Douglas, author of 'America's Most Wanted Recipes,' the average
American family dines out at an average of three times each week. Depending on
the number of people in a family, the choice of food ordered and the selected
restaurant, this casual dining experience can quickly become a very expensive
indulgence.

In an effort to solve the cost factor associated with dining out, some families
are searching for a way to recreate their favorite famous restaurant recipes in
the comfort of their own home. The problem is, however, that these top secret
restaurant recipes were never easily found and may have taken years to perfect
using the trial-and-error method. There is a new recipe website that is now
attempting to convince customers that their famous restaurant recipes no longer
have to be a secret. In fact, perhaps secret restaurant recipes, aren't so
secretive anymore.

Ron Douglas claims to have taken secret restaurant recipes and compiled them
into a new book called 'America's Most Wanted Recipes.' Among the restaurant
secret recipes that he provides include select entrees and desserts from
Applebee's, popular Burger King menu items, Chili's spicy creations and even the
cool taste of the Dairy Queen blizzard. In addition, top secret restaurant
recipes from the Hard Rock Café, IHOP, Kentucky Fried Chicken, The Olive Garden,
Planet Hollywood, Outback Steakhouse, Shoney's, Taco Bell and Wendy's are all
found in the new compilation by Douglas. The website also offers a partial
listing of specific famous restaurant recipes included in the downloadable
and/or print version of 'America's Most Wanted Recipes.'

Depending on the dish, it can be difficult to pinpoint the exact ingredients

required to recreate it's taste. While a large part of the dining craze is so popular due to convenience, another important factor is the unmistakable taste associated with certain restaurants and specific meals. Because the theme is to provide chefs and readers with the ability to produce such dishes in a reasonable time while saving money, 'America's Most Wanted Recipes' is available in either a print or downloadable format.

According to the website, customers who purchase a copy of 'America's Most Wanted Recipes' will also receive four free bonus gifts, which include lifetime access to a secret restaurant recipes archive, The Complete Library of Cooking 5-volume set consisting of 900 pages, a free copy of 'America's Most Wanted Low-Carb Recipes' and 'America's Top 150 Drink Recipes.' This recipe website also offers a free recipe of the day complete with nutritional information, a recipe archive and forum to every visitor.
