Wikipedia: This free online user-created and maintained encyclopedia can be a good starting point for an orientation to a topic. See their entry for Corporate Governance. Link: http://en.wikipedia.org/wiki/

Encyclopedia of Corporate Governance: "Encycogov is an academic encyclopedia about corporate governance intended for use by students, academics, business people and government officials. The vision of Encycogov is to be the most useful and well documented web-based resource about topics that are relevant for the understanding of issues in corporate governance. Encycogov was started in the summer 1999 as an experiment and its development continues." See their General Topics and Specific Topics sections for more information on corporate governance.
